

IBM Collaboration Solutions at Think

February 12–15
San Francisco, CA

A robust 4-day program designed to deliver unparalleled value for smarter collaboration.

Attend sessions and activities dedicated exclusively to Domino and Connections, including client sessions, small campus theater, and think tanks.

Get hands-on with demos at the Data & AI Campus, labs and technical sessions.

Join us at IBM Collaboration Solutions Community Day to learn about product roadmaps, listen to customer stories, and view new demos.

Show off your ping pong skills at the ICS Evening Reception, and have some fun while you're at it.

Tuesday, February 12
